My Biome

a Slash of
White
different Shades of
Brown
The Smell
of
fresh Wood
fills
the damp air
bumpy grounds fill
The Biome
cliffs of
water falls
birds tweets
cover the air
bounding herds of
fork
causes
to shake
wildly

Elk caller

Mountain
My Biome feels like Bumpy and slippery rocks.

My Biomes colors are green Brown.

White and reddish Brown.

By Simon
The Dolpo

Borne Mountains

My biome
sounds of gushing water
early birds singing
cool breeze
towards top
pure white blankets
from
lower colorful meadows
flowers filled with shy deer
dark pink
cheerful orange
dark pink
cool green
dark pink
rocky cliffs
alpine lakes
tender herbs
pine forests
My Mountain
smells fresh pine
floral

Gale
beautiful flowers
smell sweet
My biome... Feels... Has the colors bumpy sunny yellow and in places grassy green spikey. rusted brown smells like and stoney gray, fresh wood. You may find it has organisms, blows its top rabbit has rushing waterfalls bighorn sheep and pretty flowers. fish deer and elk. Tastes like mint and spices. My biome is mountain.
