My Biome

smells like salty fish

Has colors of light blue

peach and the rainbow.

looks like a pretty kingdom
with colorful

shining lights.

beautiful colorful coral

feels cold but soft and bumpy

the sound of whales

dolphins slashing seals

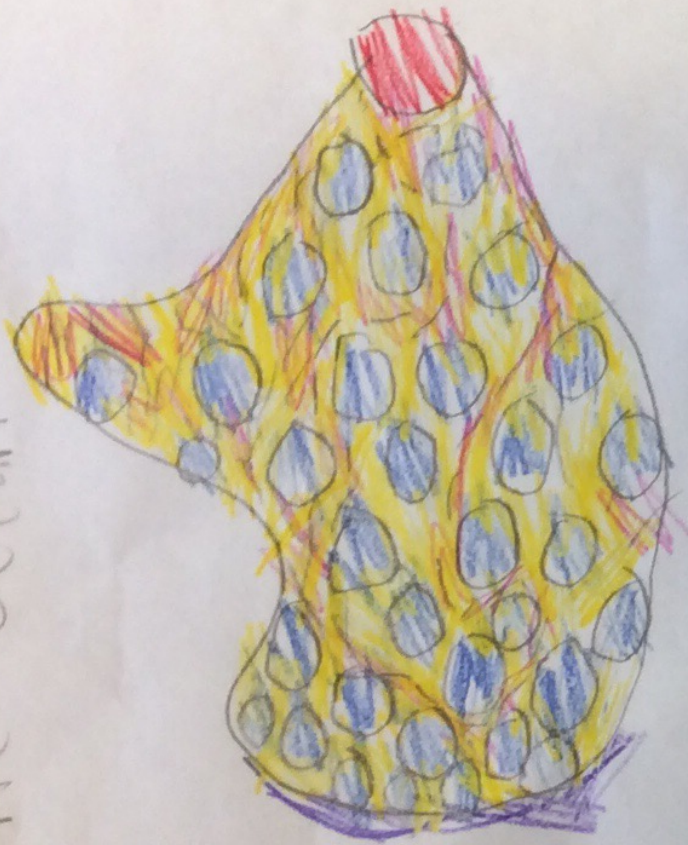

My Biome is

the ocean

By

Grace

Sea sponge

Biome Ocean

Body
 Pore
 Foot
 Osculum
 Sponges
 the sea sand

All you would see in

the Ocean is blue

Water, coral, fish ✓

All you would

hear in the Ocean is

whales calling ✓ waves

and porpoises calls ✓

All you would smell in

the Ocean is the salt water

My biome feels

Wet Slippery

Smells like birds

Color of my

biome is

blue red orange

pink purple yellow

green taste salty

looks wet

Sounds whales/seals

orcas seal

organisms seal

orcas whales

plankton sponge
