My biome,
feels wet
and
fresh.

My biome sounds
like sawking
birds.

My biome
looks light
blue.

My biome
tastes
like salty
and
sweet.

My biome looks
like theres
a lot of
animals

My biome
Smells very fresh
and moist.
My biome is the
wetlands

The biome poem
 I'm wet and soggy and
 and I smell strong like a
 I'm a muddy
 place yes
 but I
 can be clean
 I taste salty maybe
 sour and pinker the
 color of my favorite
 flower, I can be
 loud quiet too
 so, who am I?
